

to facilitate the understanding of the invention, 37 C.F.R. 1.81.

The drawings, figure 1 and 2, show every feature of the claimed invention.

With respect to claim 1, the first and second portions are represented by **b** and **c**, respectively, in both figures.

For figures 1 and 2, "**c**" represents the second portion surrounding the first unexposed portion, essentially as a frame, see claims 2, 5, 8.

Individually, figure 1 represents a single film element, i.e., a single picture. While figure 2 represents an entire Polaroid film cassette diagraming where the individual film elements on figure 1 are positioned within the cassette.

The drawings find support throughout the specification, especially on pages 2 and 3.

No new matter would be added to this application by entry of this amendment.

Entry of the amendment is respectfully requested.

Respectfully submitted,
